

Welcome to Habitat for Humanity of Northwest Arkansas!

We are excited to announce that with the support of The Walton Family Foundation, Habitat for Humanity of Benton County and Habitat for Humanity of Washington County have merged to form **Habitat for Humanity of Northwest Arkansas**. This is a significant step in our commitment to building strength, stability, and self-reliance through affordable homeownership across our entire region.

Why the Merger?

Combining our two affiliates allows us to better serve families in need, expand our impact, and more effectively tackle the affordable housing crisis in Northwest Arkansas. Here's what this merger means for our community:

- **More Homes, More Families Served:** With our combined resources, we will increase our capacity to build and repair homes, meaning more families will have the opportunity to achieve the dream of homeownership.
- **Enhanced Support Services:** Streamlined operations will improve the efficiency and accessibility of our homeowner services, allowing us to better support current and future Habitat homeowners.
- **Greater Community Impact:** As one unified organization, we can advocate more powerfully for affordable housing, build stronger partnerships, and engage more volunteers and supporters.

Our Commitment Remains Strong

While our name and reach have grown, our commitment to building homes, communities, and hope remains the same. We are excited about the opportunities this merger brings and are ready to make an even bigger difference in our community.

How You Can Help

We invite you to join us in celebrating this new chapter! Whether you're a homeowner, volunteer, donor, or supporter, your involvement makes a difference. Help us spread the word about our merger, share your Habitat story, or consider getting involved in new ways.
